Missouri compromise for the express purpose of tent the destinies of Virginia. They are with getting pan excite cent upon the slave quesim in all their sympathles and passions, depresenting and drive gail the slave. States i to their support and thereby perpetuating power in their bands, are afraid that their game will be allowed from their bands, are afraid that their game will be a loss of power and the clection of Fremont. It does not tend to le sen clection of Fremont. It does not tend to le sen clection of Fremont. It does not tend to le sen clection of Fremont. It does not tend to le sen clection of their bands against the union. They know, or think they know, or the deed of drive him, whatever his own percentage on that this result is precisely what every to some man all the South precisely and the season of the first their horizon authorizing the Mayor to take the steam for engine to the river, and use the same in filling civil russ, which was adopted.

With the reckles walkers of the first their horizon authorized a contract executed by George. With the reckle a maligrity of the fiend they Union; and they would at this moment proclaim would at heart hall the election of Fremont during that they would at heart hall the election of Fremont approach. Then the presencer, they mised available every patriot in all our broad land decide for himself where here the safety of the excitement which Fremont election is it account.

t'e e ection, it it occur, will produce in ou-but learfully-threatened Republic. fear. They a-sall him twice as much as they

The Democratic lear repress of Kentucky as Teunessee, forgeting that they have be dy a bin tred to becoming the dupes of hese dear g, had men, and have unded them to bring about the possibility of the election of such a man as Fremontand to drive the country to the very brink of ruin, have the impudrance to ask help to keep power in their hands under the pretext of saving the Union. The Union must be in a had way indeed, its preservation beyond at reasonable hope, when the people will co fide its preservative to ruch a hand or infamou, black-scatted traitors— has it that are going about, and, almost it, hair terms. mus' he in a had way indeed, its preservation beyond all reasonable hope, when the people will confide its preserval to such a hand of infamou, black-earted traitors—a bat i that are going abo t, and, almost it plain terms, out the Sal' River road, six miles from the city, on W doesday, the Sh inst. They will also raise a pole, 150 feet high, on that occasion, which is to have a flag 75 feet long. The large where easy g that Fillmore has no show, that their orly serious contestant is Fremont, and that, if he be permitted to defeat them, "the Urion ought to be and will be immediately dissolved." Who is to dis olve it in that event. Not Fremont and his fire s. They of cours of I drain, Mr. Beard, and other speakers will show the results of I drain, Mr. Beard, and other speakers will be on W diesely, Cen. Pilcher, Mr. Daily of I drain, Mr. Beard, and other speakers will be on W diesely, Cen. H. STRAITAN, Clerk. Not Fremont and his free s. They of cours well prefer ruling an entire rather than a divid d nation. Not F.I more and its friends, for here

ospita;
11. H illigdon \$2,000 for bowldering Portlan We have no fear or apprehension that the

cress of any State ticket in Indiana, Pennvania, or Ohio, would create a danger of the lection of John C. Fremont. At any rate, to lection of John C. Fre night result, the Democracy would still have ruly national candidate Millard Fillmore. Mr.

Carter W. Tiller \$24 for services as sargear at arms for Board of Common Council;
J. L. C. Mathews \$68 50 for repairs on Relic out cannot be elected without the vote of

New York, and Mr Fillmore, we most confi-ef interments to October 1, 1816, which wa ently believe, can carry New York without the filed. east aid from either of the opposing parties; A resolution from the Common Council au nd we all know, that, if the Buchanan party, on which we have a cause one of the hopelessness of the prospects of heir own candidate, choose to support Fillmore for the defeat of Fremont, they can cause not only New York hut almost every State in the Union to go for him. At the worst then, in when the contractions are required to deepen the public pumps, which was supported. not only New York but almost every State in the Union to go for him. At the worst then, in

tion of Buchanan by the elections of the presnt month, we cannot be charged by the Buhauan men with anything more flagitious than the desire that they may have it in their power and besides have every proper and legitimate moive to contribute to the certain salvation of the egainst J. J. White and others, which was con-curred in, and sail resolution rejected.

On motion of Aid. Kaye, a resolution was adopted directing the City Atvorney to report what progress he has made in the suit against J. J. Whire, &c.

On motion of Aid. Harris, the Revision Committee was discharged from the further consideration of a petition from Dr. McClure, and the same was referred to the City At-lorney. andidate and uniting upon the noble Filimore. We acknowledge our perfect willingness to see them fairly driven by the lesues of the October elections to choose between Filimore and Fremont, and they may make the most of the ac-

thought there would he the least safety for the lution was adouted, authorizing said transfer t the commandere of the Virginia militia to or- be made.

e made, and was adopted. Alderman Weatherford, from the Street Com The Democratic paper which reports this seech says that these sentiments and others like them were received with "enthusiastic theres." The day is not far back, when such famously treasonable sentiments, ultered hefore any portion of the people of Virginia, intends to the whole country that hr, as the Chlef Magistrate of Virginia, intends to the wishes of the Union theres." The day is not far back, when such famously treasonable sentiments, ultered hefore any portion of the people of Virginia, which was adoptively and the property of the determined to have his troops in readiness for would have been listingly and the determined to have his troops in readiness for the determined to have his troops in readiness f

Alderman Howard, by leave, reported a reso-lution from the Common Council authorizing a tub to be sunk in the well on Fourth street, be-tion of Alterman Harris, a resolution was adopted as a substituin, authorizing the Mayor to cause tubs to be put in the bottom of all wells, wherever the same is requisite, which was This extraordinary movement of a leading

On motion, the joint session rose.

SEPARATE SESSION. Ald. Beatty, from the Committee on Fire De Mayor to advertise for proposals to repair the Juion eigine, which was adopted.

Ald. Beatty, from the same, reported a resource directing the Mayor to purchase the fire manne belonging to the Kentucky Fire Compays, and advertise for proposals to put the same n complete repair, which was adopted.

Ald. Beatty, from the same, reported a resource for the common Council directing the Mayor to contrast for a new set of wheels for

mittee, reported a contract executed by George Meadows to huil a stan way at the Hospital

nation. Not Fil more a disc friends, for here is not a disunionist to be found among them. Who then are to be the perpetralors of this disastrous treason? Who his these very leaders of the Southern Democracy?

Mr. Kelt in this speech has let out the secretary of the mode in which the Democratic leaders hope to acquire Cuha. He said, Yea, it must be ours, and I have no objection to the inhusters' taking P. The Democratic party can aid will take it. According to this, we are to have a repetuto of former tage ies, and nome thousands more of our your mental to be massacred in ill-arranged, insufficient, and impracticable fillibustering efforts to take that impracticable fillibustering efforts to take that wn pippins for packing are worth from \$6 to per berrel, and often bring as high as \$10 in

\$8 per berrel, and often bring as high as \$10 in England.

The genuine pippin is from Newtown, L. 1, where the fruit is so highly extended, that not long aince, when the question came up in that villages to the removal of the old parent tree, on account of the opening of a new road, the people decided that it should not be disturbed, under any circomstances. It is observed that this fruit is not produced in the same perfection at a distance from the seahoard.

With reference to the coming crop of apples, one of our largest disale is estimates that it will not exceed two-thirds of an average crop within the State, from whence our principal supplies are derived, or in New Jersey or Massachusetts.

I fust inst. John C. Haylievi aring sole his chira inter-sole and nem to Samil I. Noth ann Geo. W. W.cke, who alona are authorized to exits the same NAVI. L. NOCK, tED. W. WICK, Lonisville, Ky, Oct 1, 1856. JOHN C. Baylies may be, is universally recognized as a genticman of high aorial position, and we presume there is no question as to his chivalry. We apprehend, that, after his defeat for the Presidency in November, his brutal assallant will find himself called to a quick reckoning for his brutality.

Logistille, Ky, Oct 1, 1856.

Copartnership and eliminate law in the early part of the story, it is completely hife-like and natural. He has woven a very pretty and really interesting story in which the pure Indian, the half-breed, the borderer, and the child of civilization and refinement are hap-

y introduced. It will afford much pleasure

We bespeak for this instrument the consideration of

"THE TEXAS OF LOVE."-We are indebted to Messra. Tripp & Cragg, the publishers, for another charming plece of music, composed by Miss Lou. Gross. "Les Larmes d'Amour" Redown in dedicated to Mrs. Sasise Ward Hunt. It is a brilliant and ar istic composition, which avinces decided mnarcal talent, and shows, too, except, at Fairfield, where it will commeuce at that the composer's heart is full of the poetry 7 o'clock, P. M.

This Redowa poseesses three rare merits not often united by amateur compositions. It is difficult entry District, will address the people at the cult enough of execution to render it attractive to following times and places: accomplished musicians; idle lovers of music, like ourselves, never hear it once without long.

hat were sweeter than the strains of melody in Lee Larmon did not be trained for melody in P. M. agree with us that Love Lever wept in joy tears "Lee Larmon d'Amour." I's brilliancy is so softened by a vein of sadness as to make it exquisitely touching to our untutored hearts.

Brunswicker, at Brunswick, Mo., says, in relation to the effects of the late frosts upon the tobacco crop in that part of the country: "We have conversed with several farmers, all of whom bear testimony to the injury which the tobacco crop has sustained. Most of the tobacco was planted out late in July; but a small portion, therefore, was ripe—that which was early planted. The tobacco crop this session. ly planted. The tobacco crop this sesson will come nearer a failure than it has for a aber of years. In the first place, there was but half the usual quantity planted, owing to the want of rais in June and the first half of July; in the second place, at least one-half of the crop has been destroyed by the frost,"

RIVER AND STEAMBOAT MATTERS.

NEW STEAMER - "Belie Sulphur" is t name of a new boat just completed at New Albany for the Red river trade for Capt. A. Carlisle. She is 140 feet long, has 30 feet beam purchase a full supply of Hurley's Sarsaparilla.

It is said to be the only reliable article offered consists of two boilers, each 14 feet long, with to the trading public, and has completely atx flues, two cylinders, 15 feet in diameter and 4 feet stroke, a doctor, freight-holster, and two capstans, which are propelled by stesm. He

gentleman, and will readily gain popularity

The Sulphur Is advertised to leave for New Orleans to-morrow. She takes no freight. The decision of the Chancellor, disolv ng the injunction to prevent the tearing down of the Canal Bridge, jut the steamboat men whose boats have to pass through it, in high glee, and was the general talk among them:glee, and was the general talk among them:— The cotton market closed dull and inchange.
We understand that it is the invention of the
Superintendent of the Canal, to take the most Breadstuffs quiet and slow of sale, withou active measure for erecting the pivot bridge. The river remains at a stand.

The St. Louis Intelligoncer, of Thursday says:

We have received news of a rise in the upper
Mississippi. Report says the river at Dubuque
has rison four feet. Missouri river getting
lower, and in bad boating order. Illinois getting no barier fast. Five feet to Cairo. The
